Developing Senate Council: NCAT Update

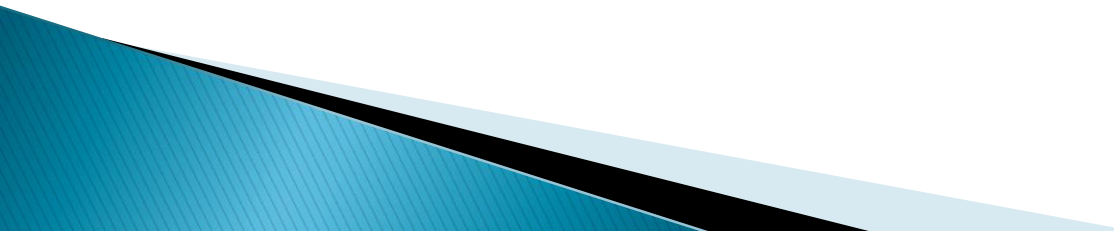

East of England
Clinical Senate

- ▶ *Reference Senates and Service Change paper*
- ▶ National Clinical Assessment Team ceased 31/03/2014
- ▶ Senates to provide the clinical assurance element of the NHS England service change assurance process with effect from April 2014
- ▶ Supporting documents and guidance to be published

The assurance process

Clinical Senate Offer (1)

- ▶ East of England Clinical Senate will bring together health and social care professionals and patients to provide independent, sound, thoughtful clinical advice and leadership for strategic service change in the region that will improve patient outcomes and population health.
- 
- Decorative graphic element in the bottom left corner consisting of overlapping blue and black geometric shapes.

Clinical Senate Offer (2)

- ▶ **Offer 1: Clinical Advice**
- ▶ **Offer 2: Support**
- ▶ **Offer 3: Thought Leadership.**

Senate Council development groups

East of England
Clinical Senate

- ▶ **Organisational Development**
- ▶ **Communications & engagement**
- ▶ **Governance**
- ▶ **IT**
- ▶ **Assembly**
- ▶ **Annual Assembly**

Senate Council working groups

East of England
Clinical Senate

► **Purpose:**

- to raise awareness and credibility of East of England Clinical Senate through the development and publication of short pieces of work
- to offer Assembly members the opportunity to engage in Clinical Senate activity
- to 'test' processes, level of member input available and provide general feedback for Senate development

► **Topic areas:** broad areas identified from prioritisation work:

- **Musculoskeletal / back pain / rehabilitation**
- **7/7 services**
- **Parity of Esteem**

► *NB there may be more than one work group per topic*

Senate Council working groups

East of England
Clinical Senate

► Timescale:

- Leads & council members agreed today
- Invitation to Assembly members to join 14th April
- Topic scoping and development immediate effect
- Topic 'pitched' to Council on 15th May*
- Agreed piece of work commences – completion by 3rd July
- Presentation of draft report / thought to Council 17th July
- Final report / thought piece developed and published

**note this is a development meeting and not a formal meeting of the council*

Senate Council working groups (2)

East of England
Clinical Senate

- ▶ **Topic areas:** broad areas identified from prioritisation work:
 - ▶ Musculoskeletal / back pain / rehabilitation
 - ▶ 7/7 services
 - ▶ Parity of Esteem
- ▶ *NB there may be more than one work group per topic*

Close

- ▶ Date of next meeting
 - 15th May development meeting
 - 31st July Council meeting (change of date)

- ▶ Feedback on webex – please let Sue or Joss know how this worked for you!
